

Long Day / Short Day
South Carolina High School Fall Sports Pre-Season Practice Plan
(Endorsed by SCATA, Ad Hoc SCHSL Preseason Acclimatization Committee)

BACKGROUND: In the summer of 2009 the Inter-association Task Force for Preseason Secondary School Athletics* recommended preseason heat-acclimatization guidelines for secondary school athletic programs to minimize the risk of heat illness during preseason football practice.

PURPOSE: The intent of the following "exposure-based proposal" is to promote an acclimatization and recovery model for SCHSL Fall sports consistent with the Inter-association Task Force guidelines that also allows coaches to appropriately prepare their teams and fits into the current SCHSL's schedule.
