

**Survey for baseball and softball umpires:**

A survey link about baseball and softball umpires was sent on May 10th to all principals and athletic directors. To date we have 103 responses for baseball and 93 for softball. The information in this survey is vital to our ability to help our assignors understand their strengths and weaknesses. Please fill these surveys out if you have not done so already. The deadline is May 31.

Baseball - To begin survey please click this link:
