| 9:12 Boiling Springs #5 | Wade Hampton #5 | Rock Hill #5 | |
| 9:20 Seth Phillips | Ryan Champaigne | Payne Getty | Zach Young |

Upper State Tournament Rules and Information

Rules: The 2019 USGA and SCHSL rules will govern play.

Out of Bounds: defined by white stakes and the road on #'s 1,10 and 13. Out of bounds will be played by stroke and distance penalty. To keep up pace of play, please play a provisional ball if you think a ball may be out of bounds.

Ground under repair: any areas marked, sodded or clearly defined areas of dirt where sod has been removed.

Drop areas: There is a drop area on hole #15 located next to cart path near the green as an additional option for rules that outline penalty areas. *This is not an option for a ball that is deemed Out of Bounds on this hole.

Greens: Hole locations are marked in 3 regions (Front, Middle and Back)

Front: Red Flag

Middle: White/Black Flag

Back: Yellow Flag

Tees: Blue

Ties: Ties will be decided by a playoff starting on hole 10 using the 4 players on each team who's score counted in the original team total until a qualifier is determined. Individual ties will be head to head starting on hole 10 until a qualifier is determined.

Slow Play: Play will be monitored and penalties will be assessed as necessary.

Scorecards: Competitors will exchange the official scorecard with another playing competitor from their group and returned immediately to the scorer's table following the round. **Ensure each player has an identifiable golf ball and your fellow competitors are aware of your markings.**

Rules: If there is any question about a ruling, and there is not a coach around to help, play two balls, mark both scores and address the issue at the scorer's table.

Upon Completion of Play report immediately to the scorer's table to turn in scorecard

Information:

LUNCH: Lunch will be available around 11:30 at the club house. Coaches, please distribute as you see fit. This is provided by Zaxby's of Boiling Springs.

Special thanks to Chris Parrish (Owner/Operator)

STATE CHAMPIONSHIP: The top eight teams from the upperstate tournament and the top 4 individuals from nonqualifying teams will qualify for the state tournament.
