RE: Elizabeth Jensen's Emergency Appeal

Dear Director Singleton:

This letter is to support Elizabeth Jensen's appeal before the High School League meeting today in Columbia.

I believe that to make her ineligible for South Carolina High School League competition because Charter Schools have higher standards is incorrect. If she were attending any of the regular high schools in the competition, there would be no issue with her grades. A 77 grade should not prevent her from entering the competition.

I am very pleased that the SCHSL is hearing this emergency appeal and I hope the committee will do the right thing by reinstating Elizabeth Jensen effective immediately.

Please let me know if you have any questions.

Thank you for your consideration.

Sincerely,

Representative Ashley Trantham
