Re: Elizabeth Jensen's Emergency Appeal

Dear Director Singleton:

I am writing today in support of Elizabeth's Jensen's appeal before the High School League today in Columbia.

I believe to make her ineligible for South Carolina High School League competition because Charter Schools have higher standards is the wrong. If she were attending any of the regular high schools in the competition, this is not even an issue with her grades. A 77 should not hold you out of competition.

I appreciate the SCHSL holding a meeting to hear this emergency appeal and hope that the committee will do the right thing and reinstate Elizabeth Jensen immediately.

Please feel free to contact me with any questions. Thank you for your consideration.

Sincerely,
