Fall 🍂 All Call: *Safety First*

JEROME SINGLETON, COMMISSIONER

As the first storm of the 2019-20 season approaches, it is my hope you will adhere to all safety warnings and procedures administered by state law and emergency preparedness professionals. Stay tuned to your local and state newscasts as they are providing up to the minute information on Hurricane Dorian. Our coastal communities are at risk as well as some of the inland districts. The safety of our students, coaches and loved ones takes precedence over athletic commitments and/or events. You will receive information on the SCHSL's plan moving forward after tomorrow's Executive Committee conference call. We appreciate your support during South Carolina's state of emergency and coastal evacuation.

If you are cancelling or postponing your Varsity Football Game, please follow these procedures:

- Be sure to contact your game officials immediately.
- You must then contact [Blair Warren](mailto:Blair.Warren@schsl.org) at the League Office
803.896.4271

For all other sports and levels, contact game officials first -then your local assigner for that sport.

If you have any questions, contact Blair Warren at the number above or email blair@schsl.org
