Be sure to [click](#) the image above for access to several sportsmanship links to improve your team's athletic showmanship and overall sportsmanship. Having great "athletic manners" and positive actions will enhance your school program immediately. *Take the pledge! Perform community service! Get the announcers onboard! Have fans participate too!* Stress the importance of being on your best behavior before, during and after all contests. Treat opponents as you would have them treat you. #SportsmanshipMatters
