The SCHSL would like to welcome Farm Bureau Insurance as its newest corporate partner. Through this collaboration, high school football fans will receive Full Coverage of the upcoming SCHSL playoffs via digital and social media. Fans can utilize the SCHSL Twitter feed @SCHSL to receive scoring updates on all playoff games via the Farm Bureau Insurance #FullCoverageScoreboard

As well, a new interactive bracket will be available at www.SCHSL.org that fans can follow along with on the road to the State Championship for all five classifications. The Farm Bureau Full Coverage Bracket will be making appearances at select playoff games as well as being on display at Charlie Johnson Stadium and Williams-Brice Stadium during the championship games for fans to take selfies with and register to win a grand prize package. After champions have been crowned, Farm Bureau Insurance representatives will be visiting the winning schools to present them with keepsake brackets for their trophy cases.

During the annual South Carolina Athletics Administrators Association spring conference, the decision was made by the member schools to direct the South Carolina High School League's staff to conduct the Reclassification/Realignment of Schools process for the 2020-2022 years. As part of the process, a Reclassification/Realignment guidelines committee has been created. The purpose of the committee is to determine and direct the League's staff as to the parameters and guidelines that are to be used during the process.

There are two meeting dates scheduled to address this process: October 23, 2019, at 10:00 am (League Office) November 4, 2019, at 10:00 am (League Office)
