PlanetHS offers basketball and wrestling eligibility submission for athletes that need to be added on certificates of eligibility once first semester grades are available.

Visit [PlanetHS Semester Setup](#) for the spring semester and configure basketball or wrestling eligibility as you would at the beginning of the season. Please provide the first regular season contest from November/December and save.

You will now be able to add a supplemental form in Manage Eligibility that reads spring rules, verifiable by the listing at the top of the document. The eligibility form will follow the same approval process as normal.
