Don't waste time! Learning is fundamental! Regardless of the sport, we can all agree that student-athletes need to know the fundamentals. The same is true when it comes to coaching. That's why it's essential for every coach, paid or unpaid, to take the "Fundamentals of Coaching" course offered by the [NFHS Learning Center](#). With our schools are closed and there are no practices, games or meets right now, this is the perfect time to learn more by clicking above.

Be sure you submit nominations for SCHSL Student Athlete of the Month. Click image above for details.
