

Activities Committee Agenda

4/22/20

1. Proposal from River Bluff High School to Open Season Practice Schedule
2. Proposal from Dorman High School to Open Season Practice Schedule
3. Proposal from Dorman High School to sanction the sport of boys' volleyball beginning with the 2020-21 school year.
4. Proposal from the SC Track and Cross Country Association to amend the qualifying process for post season competition in track and field for the 2020-21 school year.
5. Proposal from the SC Track and Cross Country Association to amend the qualifying process for post season competition in cross country for the 2020-21 school year.
6. Proposal from Class AA to adjust the post season schedule for individual tournaments and to combine class AA/A into regions for regular season play.
7. Proposal from the League Office to require the use of the newest Pre-participation physical evaluation and history form developed by the American Academy of Pediatrics.
8. Proposal from the League Office to allow Females will have the opportunity to wrestle up to 3 dates that will not count against the original 16 dates. (Must be female vs female match and not a part of any dual or tournament that includes male wrestlers.)
9. The League Office has proposed the requirement that immersion tubs or other cooling devices be available for use during periods of high heat and humidity to aid in the prevention of heat related illness.
