BROUGHT TO YOU BY  
**TAMMIE NEWMAN**, DIRECTOR OF COMMUNICATIONS/PUBLIC RELATIONS

**Weekly updates provided to member schools by SCHSL staff.**

The **Executive Committee** approved the requirement of cold-water immersion tubs or other cooling devices be on site for football practices during times of high heat and humidity. Please make sure that you take the required steps needed to ensure you have these devices for the start of football season.

The **Executive Committee** voted on April 22, 2020 to remove the dead week from the SCHSL calendar for the 2020 summer. This is the week of June 28-July 4th. This week will now be available for schools to conduct practices and or workouts as provided they fall within all other SCHSL guidelines.

**ARBITER UPDATE:** Reminder to enter 2020-21 Football and Volleyball schedules into Arbiter (do not worry about what classification Arbiter has you listed if you have changed classes. Once it is updated, it will not impact what you have entered.) Also, do not worry about last year's schedules in Arbiter. We will remove those in June. When we remove the 2019-20 schedules, your 2020-21 schedules will remain. Add schedules by May 1. Questions?
