**Weekly updates provided to
member schools by SCHSL staff.**

Although it looks like we won't be able to host our annual SCHSL Administrative Professionals Workshop at the office as scheduled, we hope you join us in celebrating these fine professionals the entire week of **April 19-25**. Set alarms now as reminders to post daily "SHOUT OUTS" to your right-hand assistant! Find out what is safe and available for home deliveries at that time. Personal phone calls are the best!

SCHSL PSA: #StickToTheGamePlan

Help prevent the spread of COVID-19 in our communities by joining SCHSL and creating your own public service announcement to emphasize state and federal safety guidelines for COVID-19. It's an easy, proactive campaign to spread the one thing we can all agree on... KNOWLEDGE! We ask you to use your cell phone to record a video message that includes your name, your title and tips to prevent the spread of the virus. Please be sure to include "Stick to the Game Plan" before concluding the video. Questions? Contact [Tammie Newman](#) 803.896.0417. Stay tuned to our social media for daily PSA posts.

Due to the current health issues associated with COVID-19/Coronavirus, the South Carolina High School League strongly recommends any physicals required for athletic participation for the 2020-21 school year be delayed until after May 1, 2020. Contact [Skip Lax](#) at [803.896.9267](#).

The SCHSL Office will be closed until further notice due to the COVID-19 virus and school closures via Governor McMaster's Executive Order. Staff will be working remotely during normal business hours and beyond to serve you. Please visit our website (www.schsl.org) for email and phone numbers to reach us.
