Q5 Briefly describe your greatest concern for the 2020-2021 school year related to COVID-19.

Answered: 29 Skipped: 3

#	RESPONSES	DATE
1	Health and safety	7/9/2020 9:49 AM
2	student safety, spread of disease, program management under current circumstances	7/8/2020 8:22 AM
3	As of 7/5/20 DHEC reported that 39 SC counties have HIGH Recent Disease Activity. Based on the SDE guidelines these districts should provide Full Distance Learning during "high spread" periods. I would be concerned if athletic teams are practicing or playing under this scenario.	7/7/2020 5:07 PM
4	opening too soon, student and staff safety	7/7/2020 3:58 PM
5	The COVID-19 is currently too high to risk favs-to-face instruction in the fall. It does not seem to be improving.	7/7/2020 3:43 PM
6	the health and safety of the students.	7/7/2020 11:13 AM
7	Anderson County is now at a high transmission rate per DHEC. I don't see people adhering to CDC guidance for social distancing and mask wearing. It is not looking good for reopening with an in-person option.	7/7/2020 9:38 AM
8	The growing spread of COVID-19 and our ability to stay open.	7/7/2020 9:07 AM
9	Trying to maintain social distancing in order to curb the spread.	7/7/2020 8:55 AM
10	Disease spread within schools. The ability to maintain social distancing and have the physical space as well as the number of teachers necessary. Run athletic programs that require physical contact and close proximity of athletes in order to compete.	7/7/2020 8:53 AM
11	Safety and well-being of students and adults. Not contributing to the spread	7/7/2020 8:53 AM
12	Students and staff becoming infected with COVID-19	7/7/2020 7:51 AM
13	Balancing the human resources needs with the fact that community spread does not seem to be slowing down. It is going to be hard to conduct school with teachers quarantined for 14 or more days.	7/7/2020 7:49 AM
14	The health and safety of all our students and staff.	7/7/2020 5:58 AM
15	Person to Person Spread	7/6/2020 8:02 PM
16	The potential spread of the virus to students, faculty, and staff.	7/6/2020 7:39 PM
17	How do we offer competition and maintain Safety of Athletes.	7/6/2020 6:21 PM
18	I am extremely fearful of the possibility that large numbers of students and staff could be infected . Athletics that are high risk due to factors such as proximity, touch, and shared locker rooms add to this concern. I think the SCHSL must do as they do in other situations and make a statewide decision. Leaving decisions to individual districts creates undue pressure on students, coaches, administrators and districts to take unnecessary, unsafe risk.	7/6/2020 6:03 PM
19	Continuing dramatic increase in positive tests and rapid spread will make in person schooling difficult if not impossible	7/6/2020 6:02 PM
20	The uncontrollable spread of the virus to multitudes of people.	7/6/2020 5:41 PM
21	Long periods of distance learning.	7/6/2020 5:35 PM
22	Amount of students that can be transported on a bus and allowed in class.	7/6/2020 5:33 PM
23	Student and Staff Healthy and Safety.	7/6/2020 5:28 PM
24	SCDHEC most recent reported the district high in all of the categories it is providing at this time.	7/6/2020 5:15 PM
25	Mortality and morbidity rates increase as a result of returning to school	7/6/2020 4:55 PM
26	Rapid spread among staff and students.	7/6/2020 4:39 PM
27	Students and employees contracting COVID-19. Students struggling with eLearning assignments.	7/6/2020 4:32 PM
28	Keeping students involved in face-to-face instruction	7/6/2020 4:31 PM
