Here Ye, Here Ye, Here ye

Now this second day of February, two thousand and twenty-one, the one hundred and thirty fifth annual trek of the Punxsutawney Groundhog Club...

Punxsutawney Phil, the Seer of Seers, the Prognosticator of all Prognosticators, was awakened from his borrow at 7:25 am by his handler and friend, on this quite morning where few can attend.

In Groundhogese, Phil directed the President and the Inner Circle to his prediction scroll that reads.

It is a beautiful morning this I can see,
With all my fans viewing virtually.
With my faithful followers being safe and secure,
Our tradition of Groundhog Day must endure.
We all have passed through the darkness of night,
But now see hope of morning's bright light.
When I turn to see, there is a perfect shadow cast of me.
Six more weeks of winter there will be!

Any former SCHSL student-athletes playing this Sunday? If so, let us know! Shout them out on social media and tag @SCHSL

IF the 2021 Football season operates as a normal year, schools are expected to honor the 2nd year of the original contract signed for the 2020 and 2021 seasons. The only exception to this will be if BOTH schools agree to not honor the original contract. Contracts or games created due to COVID would not be valid over the original contracts established. Contact Charlie Wentzky if needed.
