# 2021 State Tennis

*As if there were any doubts...* our member school athletics programs have flourished in 2020-21 to make their way to Spring Championships! We are in the home stretch of completing a full year of sports in South Carolina and I for one, could not be more proud of the student-athletes, coaches, staff, administrators and communities. Last fall, you banded together and committed to completing an entire academic year to include sports. **Tennis Championships** are extra special this year as they break ground for the remaining spring sports' championships, all who lost their season in 2020 due to Covid-19. What an accomplishment!

A full day of boys' tennis hosted at the Dr. Eddie Floyd Florence Tennis Center are sure to bring the fanfare and celebrations warranted after a year removed from spring championships.

We are excited to highlight these 8 teams and their schools. The vast variety of 2020-21 school schedules and district protocols due to Covid-19 could not prevent statewide tennis programs from occurring. The student-athletes representing their schools this week have not only proved to be role models and leaders, but individuals who kept safety in mind during an international pandemic.

The focus and skill this sport demands are second to none. Time and energy, strength and agility, in addition to the sportsmanship and teamwork each athlete puts forth is why we are here today. That, in addition to the careful, well thought out practices and team interaction. I ask that you help me celebrate the sport and the athlete. I also request you support our generous sponsors as they have a huge hand in making SCHSL Championships a reality. The road to our 2020-21 championships is paved with individuals of all backgrounds who have a passion for athletics, academics, and most importantly, student safety.

The journey was the lesson, tedious but oh so rewarding both mentally and physically. Your support of SCHSL events and initiatives makes the difference, *ushering in successful, brighter futures*. Enjoy this Championship Weekend and continue to be safe while attending the events in person. Social distancing and masks have proven to be an important part of the nation's recovery process. As a fan, you set the tone for sportsmanship, a safe environment and healthy competition.

Be the champion our student-athletes deserve.

Jerome Singleton
